CLASSES

The **TOT CLASS** is open for children between the ages of 2 and 3.5 – the children must wear a double swim protector under their suit to be able to enter the pool. They will be available for purchase if you do not have them. The difference in price is due to the student/teacher ratio.

TOT 1 is for a first time member to our school – they will receive a 1:1 teacher/student ratio to familiarize them with the environment, allow for the separation and create a joy for the water –

TOT 2 is for all others who have already graduated from TOT 1 – children in this class will receive a 1:3 teacher/student ratio. These children are able to separate from their guardian and have the safety device placed on their back without commotion.

TOT 1 and 2 are available at the times listed as **TOT CLASS** - the difference in the pricing is due to the ratio.

The **CLASS** is open for children between the ages of 3.5 and toilet trained through the age of 10. Children are grouped according to age and ability within each class.

PRIVATEs are available for children who have been in our classes and require additional pool time. Please call the office to schedule them. 516-378-8467
