

Impressive Swimming at the IMX Challenge

I am so proud of the White group this season. They have been swimming great at every meet. All the athletes keep dropping tons of time in all their events. At the IMX Challenge meet, most of the athletes swam two hundreds for the first time and really impressed me.

Ruben Cerri-Droz had a perfect meet dropping time in all of his events. Ruben also had his first DQ free meet of the season. That is very exciting Ruben, keep up all the hard work in practice. After dropping over 8 seconds in her 100 breaststroke, Samantha Gallego made her first JO cut; awesome job Samantha. Jessica Guglielmo swam her first 400 point swim in her 100 backstroke. Jessica also had a great swim in her 100 fly, dropping over 8 seconds. Great meet Jessica! Jonathan Manfre had wonderful swim meet at the IMX challenge. Jonathan swam all best times and had a perfect meet, great swimming Jonathan. Another swimmer with a perfect meet was, Eamonn McNicholas. Eamonn swam all best times in all of his events. He also dropped over 7 seconds in his 100 butterfly; great swimming. As a thirteen year old, Daveen Rjm has made his first silver cut in the 200 breaststroke; awesome job! After breaking his finger really badly, Tristan came into the meet and swam some great swimming; he was able to drop over 8 seconds in his 100 butterfly. Great job Tristan, keep up all the hard work. Avery Weissman had a very nice swim in her 100 backstroke dropping over 7 seconds in that swim as well. Great swimming White group!!

Swimmers of the Meet

Michaela DePhillips was named swimmer of the meet for the girls. Michaela has really improved her attendance and has been working hard every day in the water. I am so proud of Michaela because she really has been doing a wonderful job in practice. Because of all her hard work, Michaela was able to swim all best times and swim her second 400 point swim in her 200 IM. Michaela also placed eighth place for the 9 and under girls at the meet. Great job Michaela ☺
