

# LONG ISLAND SWIM SCHOOL

## SUMMER 2011

The Long Island Swim School is open for children ages 2 through 10, beginners through intermediates. The main emphasis of the program is on teaching children to swim correctly and develop essential water skills in a relaxed environment.

**PLACE:** 750F Stewart Avenue, Garden City, NY \*Rear Entrance behind Ethan Allen Building\*

**CLASSES:**

The **TOT CLASS** is open for children between the ages of 2 and 3.5 – the children must wear a double swim protector under their suit to be able to enter the pool. They will be available for purchase if you do not have them. The difference in price is due to the student/teacher ratio.

**TOT 1** is for a first time member to our school – they will receive a 1:1 teacher/student ratio to familiarize them with the environment, allow for the separation and create a joy for the water –

**TOT 2** is for all others, ages 2-3.5, who have already graduated from TOT 1 – children in this class will receive a 1:3 teacher/student ratio. These children are able to separate from their guardian and have the safety device placed on their back without commotion. Children qualify for Tot 2 based on instructor evaluation.

**TOT 1 and 2** are available at the times listed as **TOT CLASS** - the difference in the pricing is due to the ratio. The **CLASS** is open for children between the ages of 3.5 and toilet trained through the age of 10. Children are grouped according to age and ability within each class.

**PRIVATES** are available for children who have been in our classes and require additional pool time. Please call the office and speak with Nancy to schedule them. 516-378-8467
