

December 2009

Dear Long Island Swim School Families,

Happy Holidays from Long Island Swim School! We hope you are enjoying the season with family and friends.

As you know in late July the pool at the Omni building closed leaving us without a pool for our lesson program. Since then we have been working towards building a new teaching pool that we can call home. We have leased space behind Ethan Allen in Garden City and are working to construct our new pool. At this time we are on track to open for the Spring Lesson season beginning in March 2010.

Our new facility will house a 4 lane heated teaching pool, family friendly locker rooms, a swim shop, and a spacious viewing area for parents and siblings. We will provide the same quality lessons we always have. A friendly and enthusiastic staff, 1:5 instructor to swimmer ratio, and an emphasis on teaching children to swim correctly from the start will all continue to be a part of the service we have provided to Long Islanders for the past 30 years.

We hope you and your children are staying in touch with the water at your local indoor pool and we look forward to working with you again this spring. We will keep you posted on our progress as we move forward building our new home.

Best wishes for a happy and healthy start to 2010!

Sincerely,

Long Island Swim School
