

Chappy's Big Race

In October the new Senior Group on LIAC had their first swim meet of the season. For many, it was their very first swim meet every with LIAC. I was very impressed with the way the group stepped up and showed everyone how hard they had been working. I also enjoyed watching the group interact with each other at the meet. They have grown so close, so quickly because of the small group environment we have.

There were many impressive swims over the course of the weekend. Gregory Bischoff, a new member to LIAC this year, had a wonderful first meet. I was very happy to see Greg get up on the blocks and race the other swimmers around him. Greg swam a 1:17.72 in his 100 backstroke and received a silver cut in that event. **AWESOME** swimming Greg!! Erjin Choi also had a very memorable swim meet. Erjin swam 5 lifetime best times. Overall Erjin dropped over 25 seconds. Great job Erjin! Justin Chu swam in his very first LIAC swim meet and swam a 2:30.89 in his

200 IM and received a silver cut in that! Nice job Justin. Tori Destefano swam in her first LIAC meet as well and received a silver cut in her 100 Breaststroke. Another swimmer who same in his first meet was, Pedro. Pedro Duarte swam a great swim meet just missing three Silver cuts in his 50, 100, and 200 Freestyle. Awesome swimming Pedro. Emma Stern had a perfect meet- Great swimming Emma!

SWIMMERS OF THE MEET

For the ladies.... Fallon Wulff was swimmer of the meet. Fallon has been working very hard and it showed. Swimming all best times, Fallon dropped almost 18 seconds in her 200 freestyle and over 11 in her 100 Fly. **GREAT SWIMMING FALLON- KEEP IT UP!**

For the men... Nicky Johns was swimmer of the meet. Nicky had a perfect swim meet as well. Nicky dropped over 11 seconds in his 200 freestyle and almost 9 in his 200 IM, allowing him to make Silvers in the 200 IM. **AWESOME JOB NICKY!!!**
